

2022 Summer Driver Education

Driver Education classes for summer of 2022 will be limited to 16 students per week.

COURSE WORK:

Students will be involved in an ***independent study***, consisting of 16 chapters of material and 16 written tests. ***Students must complete 4 chapter tests each day to be turned in the following day.*** The tests and answer sheets will be given to the students' driving instructor when they come for their driving time each day-- Monday through Thursday.

Friday they will only come for their assigned Driving Test time.

STUDENT DRIVING:

Students will only come to St. John for their assigned driving time Monday through Friday. (*Friday is TEST day. Students will receive their test time from their driving instructor*)

Monday through Thursday will be for 1 ½ hours each day. It will be handled in a manner to keep each student as safe as possible:

- **masks will be worn in the vehicles at all times**
- **only 2 students will be in the vehicles with their instructor**
(one student driving and the other in the back seat) for each driving session.

Students will be notified of their assigned driving time before the class week begins. Driving sessions will be the same each day, Monday-Thursday.

Driving Session Times:

8:00-9:30

9:30-11:00

11:30-1:00

1:00-2:30

To drive, students must bring their **restricted license** and their **tests** and **answer sheets**.

TEST DAY:

On Friday, at the students' assigned Driver Test appointment, they must bring back:

- **Textbook**
- **Tests and answer sheets**
- **restricted license**
